Monteringsvejledning for støddæmpere
Mounting instructions for Shock Absorbers
Einbauanleitung für Stossdämpfer
60191007 - 60191008 - 60191285

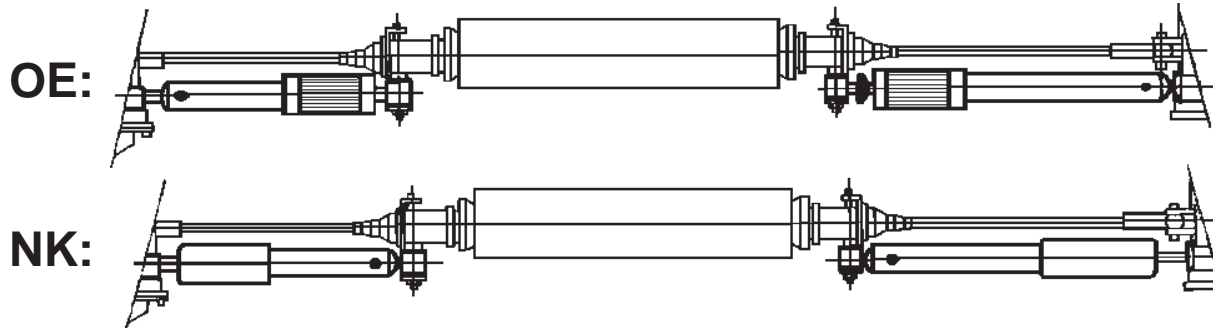

Ved montering af disse støddæmpere er det **meget vigtigt** at nedenforstående tegning følges nøje. Støddæmpernes montering vil være **modsat** de originalt monterede støddæmpere. Mærket > **ARRIBA** < som er stemplet ind i dæmperne, skal pege op imod chassis'et, da ventilen i modsat fald ikke vil virke som den skal.

When mounting these Shock Absorbers, it is **very important** to follow the drawing below very accurately. These shock absorbers are to be mounted **opposite** the original equipment shock absorbers. The mark > **ARRIBA** < printed into the shock absorbers must be mounted pointing up towards the chassis.

Bei Einbau von diesen Stossdämpfern ist es **unbedingt notwendig** untenstehende Zeichnung wahrzunehmen. Die Stossdämpfer sollen in Vergleich mit den Originaldämpfern genau 180° umgedreht montiert werden, und die Marke > **ARRIBA** < die in die Dämpfer gestanzt ist, soll nach oben stehen, da die Ventile sonst nicht optimal funktionieren wird.
